O hasina julfon vali janejahan
Dhundatee hain kafir aankhen kiska nishan
Mehfil mehfil ae shama phiratee ho kahan
Woh anjana dhundatee hu, woh dewana dhundatee hu
Jalakar jo chhip gaya hai, woh parwana dhundatee hu
Garm hai tej hai yeh nigah meree, kam aa jayengee sard aahe meree
Tum kisee rah me toh miloge kahee
Arey ishk hu mai kahee theharta hee nahee
Mai bhee hu galiyo kee parchhai, kabhee yaha kabhee vaha
Sham hee se kuchh ho jata hai, meraa bhee jadu jawan
O hasina julfon vali...
Chhup rahe hain yeh kya dhang hai aapka
Aaj toh kuchh naya rang hai aapka
Hai aaj kee rat mai kya se kya ho gayee
Aha aapki sadagee toh ada ho gayee
Mai bhee hu galiyo kee parchhai, kabhee yaha kabhee vaha
Sham hee se kuchh ho jata hai, meraa bhee jadu jawan
O hasina julfon vali...
Thehariye toh sahee kahiye kya nam hai
Meree badnamiyo kaa vafa nam hai
Oho katl kar ke chale yeh vafa khub hai
Hai najnina teree yeh ada khub hai
Mai bhee hu galiyo kee parchhai, kabhee yaha kabhee vaha
Sham hee se kuchh ho jata hai, meraa bhee jadu jawan
O hasina julfon vali...
