Main waha jaha pe tu hai, mera ishq to junun hai
O jaana.... o jaana...
Main waha jaha pe tu hai, mera ishq to junun hai, o jaana....
Har waqt tu hi tu hai, har simt tu hi tu hai, o jaana....
Tum saath mere hardam, chaahe kahi bhi hu, o jaana....
Main waha jaha pe tu hai, mera ishq to junun hai, o jaana....
Din raat sochata hoon, tujhe itna pyaar main du
Jo kabhi utar na paaye, tujhe wo khumaar main du
Mujhe aise tu kuchh mila hai, jaise ke koi dua hai
Tujhpe koi aanch aaye, toh main khud ko bhi jala lu
Har din mujhhi me tu hai, har shab mujhe me tu hai
O jaana.....
Main waha jaha pe tu hai, mera ishq to junun hai, o jaana....
Har pal tujhe sambhaalu, tere saare gham uthaalu
Mera dil toh yahi chaahe, tujhe ruh mein saja lu
Tera aks nur sa hai, tu ek surur sa hai
Dilkash teri ada ka, har lamha mein chura lu
Har dam khudi mein tu hai, meri bekhudi mein tu hai
O jaana..
Main waha jaha pe tu hai, mera ishq to junun hai
O jaana...., o jaana....
