O makhna ve maine jana ve
O makhna ve maine jana ve
Kaisiyat hain kya mai
Why does it happen in love
Why does it happen in love
Why does it happen in love
Why does it happen in love
Why does it happen in love
Why does it happen in love
O makhna ve maine jana ve
Kaisiyat hain kya mai
Why does it happen in love
Why does it happen in love
Why does it happen in love
Why does it happen in love
Yak bayak jab mili najar
Hosh uda jane kidhar
Hosh uda jane kidhar
Yeh abb jake malum pada
Hain bedardi yeh pyar bada
Yeh abb jake malum pada
Hain bedardi yeh pyar bada
O makhna ve maine jana ve
Kaisiyat hain kya mai
Why does it happen in love
Why does it happen in love
Why does it happen in love
Why does it happen in love
Dambadam huwa teraa asar
Tare dikh gaye jamin par
Tare dikh gaye jamin par
Yeh prem kaa rog zeher jaisa
Tuta dil peh hain kehar jaisa
Yeh prem kaa rog zeher jaisa
Tuta dil peh hain kehar jaisa
O makhna ve maine jana ve
Kaisiyat hain kya mai
Why does it happen in love
Why does it happen in love
Why does it happen in love
Why does it happen in love
Why does it happen in love
Why does it happen in love.
