Singer - [Asha Bhosle](#), [S. P. Balasubrahmanyam](#)

Lyricist - [Javed Akhtar](#)

Music - [Rahul Dev Burman](#)

Music Label - Universal Music

O maaria o maaria  
O maaria ho ho o  
O maaria o maaria  
O maaria o ho ho  
O maaria o maaria  
O maaria ho ho ho  
O maaria o maaria  
O maaria ho ho ho  
Arey johny jab bola tha  
Tujh se shaadi karegi mujh se  
Kaise kaha tha  
Yeh bata aa aa aa  
O maaria o maaria  
O maaria ho ho ho  
O maaria o maaria  
O maaria ho ho ho  
Arey johny jab bola tha  
Tujh se shaadi karegi mujh se  
Kaise kaha tha  
Yeh bata aa aa aa  
O maaria o maaria  
O maaria ho ho ho  
O maaria o maaria  
O maaria ho ho ho  
Hey hey hey hey hey  
Ho ho ho ho ho  
Shola sa tanman mein  
Ek bhadaka toh hoga  
Johny ki baato se  
Dil dhadka toh hoga  
Sun ke woh baate  
Kya tu chup ho li th  
Mammi se puchhungi  
Kya aisa boli thi  
Ho o maaria ho o maaria ho  
O maaria ho ho ho ho ho ho  
O maaria ho o maaria ho  
O maaria ho ho ho ho  
Johny jab bola tha tujh se  
Shaadi karegi mujh se  
Kaise kaha tha  
Yeh bata aa aa aa  
Johny ne jab ki thi  
Tujh se aisi baate  
Garmi ke woh din the  
Ya sardi ki raate  
Kya woh yeh bola  
Kuchh aisa ho jaaye  
Ham tum hon kamre mein  
Aur chaabi kho jaaye  
O maaria ha o maaria ha  
O maaria ho ho ho ho ho ho ho  
O maaria ho o maaria ho  
O maaria aa ha ha ha  
Johny jab bola tha tujh se  
Shaadi karegi mujh se  
Kaise kaha tha  
Yeh bata aa aa aa  
Ho khoi hui thi jab  
Tu shaadi ki baato mein  
Thama johny ne tha  
Kya hath bhi haatho mein  
Jab han boli tu kya  
Woh pas aaya tha ha  
O my darling kah ke kya gale  
Lagaaya tha ha ha ha ha ha  
O maaria ho o maaria ho  
O maaria ho ho ho ho ho ho  
O maaria ho o maaria ho  
O maaria ho ho ho ho  
Johny jab bola tha tujh se  
Haay shaadi karegi  
Mujh se haay  
Kaise kaha tha  
Yeh bata aa aa aa  
O maaria o maaria

O maaria ho ho ho  
O maaria o maaria  
O maaria ho ho ho  
O maaria o maaria  
O maaria ho ho ho  
O maaria o maaria  
O maaria ho ho ho  
Ho maaria ho  
Maaria ho maaria  
Ho ho ho maaria
