O mere dulhe raja baje galiyo me baja  
Milane sasurjee tere aaye re  
Le ke aayee tilak hai samadhan  
Samadhee le ke aaye hain tan man dhan  
Baje galiyo me baja aaj re  
Kya mai batau kaise hain tere sasurjee  
Munh se nikal na jaye koyee galee  
Ho dulhan kee amma yahee mote nakhare walee  
Dulhan kee bhabhee ek number kam walee  
Dulhan kee hai jo bahana vah jee vah kya usaka kahana  
Kya mai batau kuchh na kaha jaye re  
Le ke aayee tilak hai.....  
Dulhe raja hain kaise tere gharwale  
Kyon tune hain mustande pale  
Are bap uthayeegira chacha hai bhikharee  
Bhai lafanga bahana badsurat becharee  
Aur jo hai teree maiya usakee kya bolu bhaiya  
Bhainson ka jaise chara khaye re  
O le ke aayee tilak hai.....  
He dulhe raja tum yeh ladayee rukva do  
Dono gharo ke logo ko yeh samjha do  
Dulhe dulhan ko sab mil ke duwa do  
Jug jug jiye yeh dono phule phale yeh dono  
Ghar khushiyo se bhar jaye re  
Ho le ke aayee tilak hai.....
