O priya,
Jaane kaisa bheega bheega bheega hai sama naya naya,
Priye bata zara, lage kyun sab naya naya. o priya.
Purab ki pehli tu mehki hawa hai,
Sawan ki pehli tu chanchal ghata hai.
Meri kalpana ki tu pehli hai kavita,
Hai sabse nirali, tu hi prem sarita.
Jharna bhi jhar jhar jhar beh raha naya naya,
Priye bata zara, lage kyun sab naya naya. o priya.
Thandi hawaen, sama hai suhana,
Gazab hai ye tera nigahen milana.
Behki fizaen, hua dil deewana,
Mera khud ba khud ho tere paas aana.
Jaadu kaisa dheere dheere dheere chha raha naya naya,
Priye bata zara, lage kyun sab naya naya. o priya.
