O re khuda Ye tune kya kiya
Gham de diya gham de diya
O re khuda Ye tune kya kiya
Gham de diya gham de diya
Meri zindagi ki har khushi
Mein shaamil tum ho
Ho meri bandagi ki har
Ghadi mein shaamil tum
Maine jitni bhi duaayein
Maangi ab tak rab se
Meri unn sabhi duaaron
Ka ho haasil tum
Ik mauj hoon main aur
Mera sahil tum ho
Aur ik safar hoon main
Hoon meri manzil tum ho
Maine jitni bhi duaayen
Maangi ab tak rab se
Meri unn sabhi
Duaaron ka ho haasil tum
O re khuda Ye tune kya kiya
Gham de diya gham de diya
O re khuda Ye tune kya kiya
Gham de diya gham de diya
O re khuda
Meri zindagi ka khushnuma
Sa mausam tum ho
Ho meri tishnagi ka
Manchala sa saawan tum
Kab se mujhe tamanna
Hai tumko paane ki
Ab chhod bhi do
Mujhko aazmana tum
Mere raaste mein
Baadalon ka aana tum ho
Mere dhoop mein ho
Baarishon ka aana tum
Tumhe yaad karta
Rehta hoon main
Din mein shab mein
Meri yaad se na
Kabhi door jaana tum
O re khuda Ye tune kya kiya
Gham de diya gham de diya
O re khuda Ye tune kya kiya
Gham de diya gham de diya
Dil ke mehmaan.. Teri
Yaad liye.. Baithe hain
Zabt-e-dil kis se kahe
Zabt kiye baithe hain
Maut se keh do faraz
Humko na majboor kare
Jinki ye cheez hai hum
Unko diye baithe hain
O re khuda Ye tune kya kiya
Gham de diya gham de diya
O re khuda Ye tune kya kiya
Gham de diya gham de diya
Khuda.
