O re piya haaye - 3  
Udne laga kyon man baawla re, aaya kahaan se yeh hosla re  
O re piya haaye  
Taanaabaana taanaabaana bunti hawaa haaye bunti hawaa  
Boondein bhi to aaye nahi baaz yahaan haaye  
Sagish mein shaamil saara jahaan hai  
Har zarrein zarrein ki yeh iltiza hai  
O re piya, o re piya haaye , o re piya  
Nazrein bolein duniya tolein, dil ki zaban haaye dil ki zubaan  
Ishq maange, ishq chaahe koi toofaan haaye  
Chalna aahiste ishq naya hai, pehla yeh vaada humne kiya hai  
O re piya haaye , o re piya  
Piyaaaaa.... yeh piyaaaaa.....  
Nange pairon pe angaaro chalti rahi haaye chalti rahi  
Lagta hai ke gairo mein palti rahi haaye  
Le chal wahaan jo mulk tera hai, jaahil zamana dushman mera hai haaye  
O re piya haaye.....
