Gagan yeh samajhe chaand sukhee hai, chanda kahe sitaare  
Sagar kee lahare yeh samajhe hamse sukhee kinaare  
O sathee dukh me hee sukh hai chhipa re.....  
Dur ke parvat dur hee rah ke lagate sabko suhaane  
Paas agar jaakar dekhe toh patthar kee chattaane  
Kaliya samajhe chaman sukhee hai, chaman kahe re bahaare  
O sathee dukh me hee sukh hai chhipa re o sathee.....  
Bhaiya re sathee re bhaiya re ho raama re  
Hai raama hai raama ko  
Raat andheree... haai raama ko  
Raat andheree soche mann me hai din me ujiyaara  
Din kee garmee soch rahee hai, hai shital andhiyaara  
O sathee hai shital andhiyaara  
Patajhad samajhe sukhee hai saavan, saavan kahe angaare  
O sathee dukh me hee sukh hai chhipa re o sathee.....  
O sathee re o bandhu re... sathee re bandhu re  
Nirdhan dhan kee chaah ko lekar firata maara maara  
Dhan vaalo ko chain nahee, yeh kaisee jag kee maaya  
Ik duje ko sukhee samajhate sukh ko sabhee pukaare  
O sathee dukh me hee sukh hai chhipa re o sathee.....
