O yaara ve yaara ve
Meraa dil kho gaya hain kisika ho gaya hain
Jag uthee hai nindé -2, chain kahee so gaya hain
O yaara ve yaar ve
Samajh naa aaya mujhe woh ladakee thee yaa thee jaadu
Najare milate hee jisase raha naa dil pe meraa kaabu
Jab bhee sunaaye khaamoshee, maasum see usakee baate
Mere din sulagate hain, hotee bechain yeh raate
Kabhee muskana usaka, kabhee balkhana usaka
Kabhee baaho me meree aake sharmaana usaka
Bahut yaad aa raha hain -2 kahar woh dha raha hain
O yaara ve yaara ve
Aisa bhee hota hai na aksar jab jab yaad woh aaye
Chha jaate hain inn palako pe usakee najar ke saaye
Usaka tasavur aake dil me aisa dard jagaaye
Yu lagata hain jism se jaise jan nikalatee jaaye
Kabhee balkha ke chalna kabhee ghabara ke rukna
Daal phulo kee banake usaka woh mujhape jhukana
Bahut yaad aa raha hain -2 kahar woh dha raha hain
O yaara ve yaara ve
Woh itana bhee tadpaayega socha naa tha maine
Mere gham pe muskaayega socha naa tha maine
Maine yeh dil diya hai jisako woh pathhar dil hoga
Jisko masiha samjha maine meraa kaatil hoga
Woh usaka ruth jaana meraa usako manana
Simat ke ek pal me woh gujara hai jamaana
Bahut yaad aa raha hain rulaaye jaa raha hain
O yaara ve yaar ve
Meraa dil kho gaya hain kisika ho gaya hain
Jag uthee hai nindé -2, chain kahee so gaya hain
O yaara ve yaara ve
