Of o jalata hai bujhata hai jalata hai a a kaise  
Of o mitata hai lutata hai mitata hai a a ham pe  
Phir bhi mushaqil mushaqil ye dil paana sun le  
He saharaaon se bhi guzaroon  
Dariyaaon se bhi ubharoon  
He saharaaon se bhi guzaroon  
Dariyaaon se bhi ubharoon  
Tere liye main gahari vaadi bhi choom loon  
Sahara men gul na khilega  
Dariya men diya na jalega  
Deewaane vaadiyon men dil na milega  
Of o jal gaya  
Ek parachhaaen jaisi hoon main  
Sooraj dhalate hi chhup jaaon to  
Andhera chha jaayega a a a  
Shola junoon ka aankhon men  
Roshan dil raaton men  
Phir andhera bhi kya kar paayega  
Zid karana hai reet teri  
Naazuk preet meri  
Rok bhi le khud ko  
Jeene bhi de mujh ko  
Bas ja meri saanson men  
Ji le a meri baanhon men  
Haay jal gaya jal gaya jal gaya jal gaya  
Of o jalata hai bujhata hai jalata hai a a kaise  
Of o jal gaya mit gaya lut gaya of o tum pe  
Sahara men gul na khilega  
Dariya men diya na jalega  
Deewaane vaadiyon men dil na milega  
Saanson se khushaboo uthane lagi  
Baanhon men jab too sajane lagi  
To dekhe jahaan  
Phir zameen aasamaan kya  
Sharam se aankhen jhukane lageen  
Mujh se kuchh ye kahane lageen  
Ke ye kya ho gaya  
Kaise badala iraadā a a  
Aakhir dil majaboor hua  
Mere ishq men choor hua  
Mujhape asar tha tera  
Tujhape hai saaya ab mera  
Door agar main jaaon to  
Phir ban jaaye too sooraj wo  
Jo jalata hai bujhata hai jalata hai bujhata hai  
Of o
