Woh ajanta ke mandir mein,
Kingfisher ke calender mein
Mere dil ek har folder mein,
Bas wahin hai har manjar mein
She is magic she is wammy,
Woh husn ki tsunaami
Beh jaaye duniya usaki leher mein
She has got that oomph
Soniye ole ole ole
Oomph soniye, yeah she
Has got that oomph soniye ole ole ole
Aaye o, she has got that
Oomph soniye ole ole ole
Oomph soniye, she has
Got that oomph soniye ole ole ole
Aaye o woh ajanta ke mandir mein, aaye o
Kingfisher ke calender mein aaye o
Dhundane tujhako nikala hai lunar mission
Thodi mu radium tu hai nuclear fission
Smile se teri khul jaayega kismat ka daur
Ho na ho tujh par hi hoga next world war
She has got that oomph soniye ole ole ole
Oomph soniye, yeah she has
Got that oomph soniye ole ole ole
Aaye o, she is magic she is wammy,
Woh husn ki tsunaami
Beh jaaye duniya usaki leher mein
She has got that oomph soniye
Yeah you got that oomph soniye
She has got that
Oomph oomph oomph &
Tune bhi laaya aisa revolution
Tune bhi laaya aisa revolution
Tu hai gen next tujhase hi hai evolution
You are the peace tu hi badlega daur
Bin lade tu hi jitega next world war
But you got that oomph soniye ole ole ole
Oomph soniye, yeah you
Got that oomph soniye ole ole ole
Aaye o
Woh ajanta ke mandir mein,
Kingfisher ke calender mein
Mere dil ek har folder mein,
Bas wahin hai har manjar mein
She is magic she is wammy,
Woh husn ki tsunaami
Beh jaaye duniya usaki leher mein
She has got that oomph
Soniye ole ole ole oomph soniye
Yeah she has got that
Oomph soniye ole ole ole
Aaye o, she has got that
Oomph soniye ole ole ole
Oomph soniye, o you got that
Oomph soniye ole ole ole
Aaye o aaye o aaye
O you got that oomph.
