Baahon mein le loon, julfon se khelu
Betaab mohabbat kehati hai aaja aaja aaja
Paagal deewaana aawaara kis naam se tujhako pukaaru main
Palakon ke saaye mein rakhu, ya dil mein tujhako utaar main
Jo dil ko tere bha jaaye, uss naam se mujhako pukaar le tu
Aankhon ki sunehari galiyon se mujhe apane dil mein utaar le tu
Meri tamanna meera yaar hai, meri mohabbat mera pyaar hai
Kaise bataau tujhako bhala main, mujhako tera intjaar hai
Honto pe mere teri baat hai, apana toh janmo ka saath hai
Haan maine chhoda saara jamaana, haaton mein tera haath hai
Rangeela aashiq mastaana kis naam se tujhako pukaaru main
Palakon ke saaye mein rakhu, ya dil mein tujhako utaar main
Mujhe apane dil mein utaar le tu
Haan jannat se aayi koyi hoor hai, ishq mein mere tu toh choor hai
Bhule tujhe na ik pal mera dil, isame mera kya kasur hai
Duniya mere pairon ki dhil hai, mere jude mein tera phul hai
Tere liye jo mujhako mila ho har dard mujhako kubul hai
Mehbooba jaanam diljaana kis naam se tujhako pukaaru main
Palakon ke saaye mein rakhu, ya dil mein tujhako utaar main
Jo dil ko tere bha jaaye, uss naam se mujhako pukaar le tu
Aankhon ki sunehari galiyon se mujhe apane dil mein utaar le tu
