Kaun hai jisne mai nahi pi hai, kaun jhuthi kasam uthaata hai  
Maikade se jo bach nikalta hai, teri aankhon mein dub jaata hai  
Jab ghir ke aayi kaali ghata, rindon ne kahaan ji bhar ke pila  
Inkaar kiya jab saaki ne paimaane tut gaye, paimaane tut gaye  
Jab aaye sharaabi masti mein, sab dub gaye yuun masti mein  
Hungaama huwa ek basti mein, hungaama huwa ek basti mein  
Log aaye jab maikhaane tak, paimaane tut gaye, paimaane tut gaye  
Saaki ki nakaabu ulat-te hi, kimat na rahi paimaane ki  
Raunak hi gayi maikhaane ki, raunak hi gayi maikhaane ki  
Sab pine lage jab aankhon se, paimaane tut gaye, paimaane tut gaye  
Saaki ki nazar jab tang huyi, sheeshon ki kismat sang huyi  
Yuun saari faza berang huyi  
Maikhaane mein aise jung huyi, paimaane tut gaye, paimaane tut gaye  
Jab ghir ke aayi kaali ghata, rindon ne kaha ji bhar ke pila  
Inkaar kiya jab saaki ne, paimaane tut gaye, paimaane tut gaye  
Paimaane tut gaye, paimaane tut gaye
