Tumhari mast nazar gar idhar nahin hoti  
Nashe me choor fizaā is qadar nahin hoti  
Parda uthke salaam ho jaaye  
Parda uthke salaam ho jaaye  
Parda uthke salaam ho jaaye  
Baat ban jaaye kaam ho jaayé aha  
Baat ban jaaye kaam ho jaayé  
Ay habeeb mera tujhko sálaám  
Ay habeeb mera tujhko salaam  
Ay habeeb mera tujhko salaam  
Ay habeeb mera tujhko salaam  
Chaand baadal me chhupega kaise  
Husn aanchal me chhupega kaisé  
Chaand baadal me chhupega kaise  
Husn aanchal me chhupega kaise  
Main hoon betaab tum ho bekhwaaab  
Kyun na deedaare aam ho jaaye  
Párda uthke salaam ho jaaye oho  
Baat ban jaaye kaam ho jaaye  
Ay habeeb mera tujhko salaam  
Tujhko saláam  
Ay habeeb mera tujhko salaam  
Ishq badnaam na hone paaye  
Shauk nakaam naa honé paaye  
Ishq badnaam na hone paaye  
Shauk nakaam naa hone paaye  
Zulm aur gair kar chuke gair  
Ab muhabbat ka naam ho jaaye  
Parda uthke salaam ho jaaye áha  
Baat ban jaaye kaam ho jaaye  
Dil pe gairon ka izaara kyun ho  
Ye sitam hamko gawaara kyun ho  
Dil pe gairon ka izaara kyun ho  
Ye sitam hamko gawaara kyun ho  
Saikdo gham sah chhuke ham  
Ab ye kisaa tamaam ho jaaye  
Parda uthke salaam ho jaayé ho  
Baat ban jaaye kaam ho jaaye  
Ay habeeb mera tujhko sálaám  
Ay habeeb mera tujhko salaam  
Tujhko salaam tujhko salaam  
Ay habeeb mera tujhko salaam  
Tujhko salaam tujhko salaam  
Ay habeeb mera tujhko salaam.
