Parvardigare aalam teraa hee hai sahara
Tere siwañ jahan me koyee nahee hamara
Nuh kaa safina tune tufan se bachaya
Duneeya me too hamesha bando ke kam aaya
Mangee khalil ne jab tujhse duwa khudaya
Aatish ko tune fauran ek gulsitan banaya
Har ilteja ne teree rehmat ko hai ubhara
Parvardigare aalam.....
Younus ko tune machhlee ke pet se nikala
Tune hee mushkilo me aayub ko sambhala
Ilyas par karam kaa tune kiya ujala
Hai do jahan me ya rab teraa hee bol-bala
Tune sada ilahee bigree ko hai sanwara
Parvardigare aalam.....
Yousuf ko tune maula dee kuaid se rihayee
Yakub ko dubara shakle pisar dikhayee
Behatee huyee nadee me musa kee rah banayee
Tune salib par bhee isakee jan bachayee
Data tere karam kaa koyee nahee kinara
Parvardigare aalam teraa hee hai sahara
Tere siwañ jahan me koyee nahee hamara
