Patta patta buta buta, hal hamara jane hai
Jane na jane, gul hee na jane, bag toh sara jane hai
Koee kisiko chahe, toh kyo gunah samajate hain log
Koee kisee kee khatir tadape agar toh hasate hain log
Begana aalam hain sara, yaha toh kae hamara
Dard nahee pahachane hai
Chahat ke gul khilenge, chalatee rahe hajar aandhiya
Ham toh isee chaman me, bandhege pyar ka aashiya
Yeh duniya bijalee giraye, yeh duniya kante bichhaye
Ishk magar kab mane hai
Dikhalayenge jahan ko, kuchh din jo jindagane hain aur
Kaise na ham milenge, hamane bhee dil me thhane hain aur
Abhee matwale dilo kee, mohabbat wale dilo kee
Bat koee kya jane hai
