Pehle aayi murgi ke
Pehle aaya anda
Anda murgi anda murgi
Anda murgi
Pehle aayi
murgi ke
Pehle aaya anda
Kaun ye samjhe kaun ye jane
Na ye samjhe na wo jane
Haar gaye hai sabhi sayane
Raz koi na ye pehchane
Kaisa hai ye gorakh dhanda
Bolo
Sab kehte
Sab kehte hai ke chuha
Billi se dar ke bhage
Par me wo chuha hu jiske bhage
Billi aage aage piche
Piche aage
Piche aage aage piche
Billi aage chuha piche
Chua aage billi piche
Aage aage piche piche
Idhar bhage udhar bhage
Aage bhage piche bhage
Bhage bhage
Sab kehte hai ke chuha
Billi se dar ke bhage
Par mein wo chuha hu jiske bhage
Billi aage billi to kya shair ki bhi me
Muche nichhi kar du
Unchi nichhi nichhi unchi
Nichhi unchi unchi nichhi
Bal to kya hai khal khaich
Ke usme bhusa bhar du
Bhar du bhar du aah jane do
Billi to kya shair ki bhi me
Muchhe nichhi kar du
Bal to kya hai khal khaich
Ke usme bhusa bhar du
Samjhe kya samjhe
Nahi samjhe
Jane do
Pehle aayi murgi ke
Pehle aaya anda anda
Murgi anda murgi
Anda murgi
Pehle aayi murgi ke
Pehle aaya anda
Kaun ye samjhe kaun ye jaane
Na ye samjhe na wo jane
Haar gaye hai sabhi sayane
Raz koi na ye pehchane
Kaisa hai ye gorakh dhanda
Bolo
Kabhi kabhi dil kehta hai
Ke hota kitna acha
Jo me bada na hota
Rehta chota sa hi bacha
Or bolta amma roti de
Amma dudu de
Roti de dudu de bhukh lagi hai
Nai to lounga tune mujh mala
Par bachcha to kya ek din me
Budha ho jaunga baitha
Baitha khasunga
Aur yu hi chillaunga ale
Kaha mar gaye sab
Bitiya maila pan dan kidhar hai
Meherban khandan khandan pandan
Kya samjhe samjhe nahi samjhe
Pehle aayi murgi ke
Pehle aaya anda anda
Murgi anda murgi
Murgi anda
Pehle aayi murgi ke

Pehle aaya anda
Kaun ye samjhe kaun ye jane
Na ye samjhe na wo jane
Haar gaye hai sabhi sayane
Raz koi na ye pehchane
Kaisa hai ye gorakh dhanda
Bolo
Akad rahe hai aise jaise
Bade hasin hai aap aap
Aap aap aap aap aap aur aap hi
Akad rahe hai aise jaise
Bade hasin hai aap
Idhar dekhiye ke me hu
Hasino ka bhi bap
Sab ka apka nahi
Gusse wali baat nahi
Ye kaha chale sarkar
Dhunde se bhi nahi milega
Hum jaisa dildar
Dildar thakaidar thanedar chokidar
Rajdar pehredar jamadar sawaldar
Samjhe kya samjhe nahi samjhe
Pehle aayi murgi ke
Pehle aaya anda anda
Murgi anda murgi
Murgi anda
Pehle aayi murgi ke
Pehle aaya anda
Kaun ye samjhe kaun ye jane
Na ye samjhe na wo jane
Haar gaye hai sabhi sayane
Raz koi na ye pehchane
Kaisa hai ye gorakh dhanda
Bolo
