Pehle lohe ki chingaari  
Chamki haaye mrityu jaagi  
Kohre se dohri hai dharti  
Andhiyare ne agni daagi  
Manav dhad aur gardan  
Khoon ki pichkaari chhitraaye  
Jo bhi lalkaare jan-ni ko  
Ek hi jhatke mein chir jaaye  
Maare jaane ka din hai yeh  
Mrityu maare hai kilkaari  
Matki se sar phat-te jaayein  
Behti rakton ki pichkaari  
Chat chat chaate woh sabko dekho  
Ranchandi woh taak bhi jaaye  
Sau haathon ki dekho  
Saansein saansein si bikhraayein  
Bhookh se ko dekho  
Woh mrityu ka janam karaayein  
Saari garbhwati bandookein  
Karke dhaanye dhaanye chillayein  
Maathe cheekhein mutthi baandhe  
Loha lohe kehta jaaye  
Sannate ki chamdi mein se  
Kolahal sa behta jaaye  
Ghan ghan karke garje loha  
Ghan ghan gole barse loha  
Nikla kaise cheere dekho  
Jalte dhadke sar se loha  
Dar ke maare ambar ooncha  
Ooncha ooncha hota jaaye  
Kadmon se yoon dhool ude hai  
Laakhon sooraj bhi dhak jaayein  
Pagle haathi jaisi dole  
Mrityu chinghaade aur bole  
Kat gayi saari rakta shiraayein  
Sabka khoon ubal kar khaule  
Dum kham lekar veer lade hain  
Ghayal hokar bhi lade hain  
Sir kat jaayein khanjar  
Koi yun gambheer lade hain  
Aankhon mein jo khoon bharega  
Sara laal laal niklega  
Aankhein band karo aur baanto  
Warna jaan maal niklega  
Dar ke dharti bol rahi hai  
Dar jaaongi bol rahi hai  
Laashon ka ambaar kaga hai  
Dharti sabko taul rahi hai  
Har nas mein bhara hai  
Aur saanson mein kaal bhara hai  
Meri boo se dharti saari  
Aur aadha paatal bhara hai  
Nikhre mund lund bhi dekho  
Raktim gehra kund bhi dekho  
Giddhon ki faili hain baahen  
Dekho unka jhund bhi dekho  
Tap ke hawa ke pad gaye chhale  
Talwaaron se chhil gayi kaaya  
Jeevan ke taaron pe dekho  
Mrityu ne sangeet bajaaya  
Jal gaye zinda kitne maanav  
Gaaon ko bhi jal jaane do  
Jungle ke sab panchhi jal gaye  
Chhaon ko bhi jal jaane do  
Laashein aisi chhitri bikhri  
Giddhon ki buddhi chakraaye  
Maans ke lothade aise faille  
Mrityu ko bhi aaye  
Phir bhi usne jabda khole  
Saanson ko bhi chaba liya hai.
