Pehle sau bar idhar aur udhar dekha hai
Tab kahee dar ke tumhe ek najar dekha hai
Ham pe hansatee hai jo duniya use dekha hee nahee
Ham ne us shokh ko ae didae tar dekha hai
Aaj is ek najar par mujhe mar jane do
Us ne logo badee mushkil se idhar dekha hai
Kya galat hai jo mai divana huwa, sach kahana
Meré mehbub ko tum ne bhee agar dekha hai
