Pehli najar mein kaisa jaadu kar diya
Terā ban baita hai mera jiya
Jaane kya hoga, kya hoga kya pata
Iss pal ko milke aa ji le jara
Mein hu yahan, tu hai yahan
Meri bahon mein aa, aa bhi ja
O jaaneja dono jahan, meri bahon mein aa, bhul ja, aa -2
Baby i love you -4 so more
Baby i love you, o i love you
I love you, i love you so more
Baby i love you
Har duwa mein shamil tera pyar hai
Bin tere lamha bhi dushwar hai
Dhadkon ko tujhse hi darkaar hai
Tujhse hai raahate, tujhse hai chaahate
Tu jo mili ek din mujhe, main kahin ho gaya laapata
O jaaneja dono jahan, meri bahon mein aa, bhul ja, aa -2
Kar diya deewana darde khas ne
Chain chhina ishk ke ehsaas ne
Bekhayali di hai tere pyaas ne
Chhaya suroor hai, kuchh to jaroor hai
Yeh dooriya jine na de, hal mera tujhe na pata
O jaaneja dono jahan, meri bahon mein aa, bhul ja, aa -2
Baby i love you -4 so more, baby i love you
Uuh love you, baby i love you
I love you.....
