Phir raat katee aur din nikla
Jab din nikla, toh raat chadhee
Phir prit kee aisee ding badhee, rab rakha beliye
Heyyy ho, heyyy ho
Otani par jab chaand chale, aur chaand ke piche raat chale
Aur taaro ke baaraat chale, rab rakha beliya
Hey ho, hey ho
Har raat kahaanee chalutee hai, kabhee hawa sunatee hai baate
Kabhee baat jubaanee chalutee hai
Hey ho, hey ho
Phir raat katee aur din nikla, jab din nikla toh rat chadhee
Phir prit kee aisee ding badhee, rab rakha beliye
Heyyy ho, heyyy ho
Deh kee reti udd javegee, prit sada reh javegee
Arey samay gujar jaavega baabu, lok katha reh jaavegee
Baat puraanee ho jaavegee, naam sada reh jaavega
Arey maro tul me ?? jab tak unka nam rahega
Phir raat katee katee, aur din nikala nikala
Jab din nikala nikala, toh raat chadhee chadhee
Phir prit kee aisee ding chadhee, rab rakha beliye
Heyyy o, heyyy o
Arey bahut baras jab gujar gaye, aur lakh chand jab utar gaye
Pipal par ek padav hua, aur phir janme kaa ?? hua
Tabse har ek kahaanee me woh aate hai aur jate hai
Arey maro tul me ?? jab tak unaka naam rahega
Phir rat katee aur din nikala, jab din nikala toh rat chadhee
Phir prit kee aisee ding chadhee, rab rakha beliye
Otanee par jab chand chale, aur chand ke piche raat chale
Aur taaro ke barat chale, rab rakha beliya
Hey ho, hey ho
Har rat kahaanee chalutee hai, kabhee hawa sunatee hai baate
Kabhee bat jubaanee chalutee hai
Hey ho....
