Aa aa aa aa.....
Phir tere shahar me lutne ko chala aaya hu
Phir wahee ishk teraa, phir wahee dil laya hu
Phir tere shahar me lutne ko chala aaya hu
Dekh kis shan se aaya hai teraa saudayee
Shor bajon ka kahee hai toh kahee shehnayee -2
Saree duniya ko tamashayee bana laya hu
Phir wahee ishk teraa, phir wahee dil laya hu
Phir tere shahar me ra, lutne ko chala aaya hu
Tu na ghabra teraa ghunghat na mai uthane dunga
Jindagee chahē lute pyar na lutne dunga
Dil ke shishe ko patthar ka bana laya hu
Phir wahee ishk teraa phir wahee dil laya hu
Phir tere shahar me ra, lutne ko chala aaya hu
Bat rah jatee insan rahe ya na rahe
Yar kee aan rahe jan rahe ya na rahe
Yar ke nam par mitne toh chala aaya hu
Phir wahee ishk teraa, phir wahee dil laya hu
Phir tere shahar me lutne ko chala aaya hu
Teree is mang me sindur sajane ke liye
Surkh mehandee fere hatho me rachane kee liye
Khune dil laya hu aur khune jigar laya hu
Phir wahee ishk teraa, phir wahee dil laya hu
Phir tere shahar me lutne ko chala aaya hu
