Pighalta hua ye sama  
Hawao mein ye narimiya  
Pighalta hua ye sama  
Hawao mein ye narimiya  
Fizao mein ghulta nasha  
Ye hum aa gaye hai kaha  
Hai jaise dhula aasma  
Hai phoolo bhari wadiya  
Hai jaise dhula aasma  
Hai phoolo bhari wadiya  
Nadi gungunati hui  
Ye hum aa gaye hai kaha  
Hai phoolo hi ke kism ki  
Mahak ye tere jism ki  
Aawara aur mast hawa  
Isme hai andaz tera  
Ye nadiya ki lahre hai  
Ya tera reshmi aachal  
Jaise lahrata hai lahrata hai  
Lahrata hai  
Hai jaise dhula aasma  
Hai phoolo bhari wadiya  
Nadi gungunati hui  
Ye hum aa gaye hai kaha  
Kisko ye pucho koi  
Kisko ye pucho koi  
Titliya itni hai chanchal kyun  
Bhawre hai har pal bekal kyun  
Titliya itni hai chanchal kyun  
Bhawre hai har pal bekal kyun  
Tumko pata ho tum hi kaho  
Tere mere jaisa pyar inko bhi hai  
Pyar inko bhi hai  
Pyar inko bhi hai  
Pyar inko bhi hai  
Pighalta hua ye sama  
Hawao mein ye narimiya  
Fizao mein ghulta hua nasha  
Ye hum aa gaye hai kaha.
