Pritama pritama ho pritama
Pritam tera mera pyar
Gup chup kya jane sansar
Pritam tera mera pyar
Pritam tera mera pyar
Gup chup kya jane sansar
Pritam tera mera pyar
Lakho ke parde ke andar
Lakho ke parde ke andar
Jalta hai angar chup chup
Kya jane kya jane
Kya jane sansar
Pritam tera mera pyar
Ghadi ghadi japti hu
Aadhi raat ko
Padi padi tadpu main
Mulakat ko
Khadi khadi khidki ke sahare
Khadi khadi khidki ke sahare
Karti hu singar gup chup
Kya jane kya jane
Kya jane sansar
Pritam tera mera pyar
In taro mein gajre bikhre sawre
Is pagdandi ki hai thandi chauv re
Is pagdandi ki hai thandi chauv re
Prem nagar ki raaho mein to
Prem nagar ki raaho mein to
Baaho ka bal haar gup chup
Kya jane kya jane sansar
Pritam tera mera pyar
Ud jata hai piya papiha bol ke
Ho jati hu khadi kiwadiya khol ke
Aadhi raat diya bujhte hi
Aadhi raat diya bujhte hi
Ho jana iss paar gup chup
Kya jane kya jane sansar
Pritam tera mera pyar
Tera mera pyar gup chup
Kya jane sansar
Pritam tera mera pyar.
