Puchhe jo koyee meree nishaanee rang hina likhana
Gore badan pe ungalie se meraa nam too aa likhana
Kabhee kabhee aas paas chaand rehata hain
Kabhee kabhee aas pas shaam rehatee hain
Aao naa aao naa, jhelum me behane de
Waadee ke mausam bhee ek din toh badlenge
Kabhee kabhee aas paas chaand rehata hain
Kabhee kabhee aas pas shaam rehatee hain
Aau toh subaha jaau toh meraa nam sabah likhana
Barf pade toh barf pe meraa naam too aa likhana
Jara jara aag wag pass rehatee hain
Jara jara aangdee kee aanch rehatee hain
Kabhee kabhee aas paas chaand rehata hain
Kabhee kabhee aas pas shaam rehatee hain
Shaame bujhaane aatee hain raate
Raate bujhaane tum aa gaye ho
Jab tum haste ho, din ho jaata hain
Tum gale lago toh, din so jaata hain
Dolee uthane aayega din toh
Paas bitha lena kal jo mile toh
Maathe pe mere suraj uga dena
Jara jara aas paas dhup rahegee
Jara jara aas paas rang rahenge
