Purane din purane pal, purane kwab jo pichhe chhute hain  
Yad karo naa mit naya sangit naya koyee git  
Nayee phir umang bharake aao milake gao aaj gao  
Purane din purane pal purane kwab  
Juda juda hokar, khoeye huye ho kahan  
Pyar ke rango se, rang do yeh sara jahan  
Har dil hai apna, kaun hai begana  
Mere hamadam bhula do tum, gira do diwaro ko jo khadee hain  
Aaj hamare bich, naya sangit naya koyee git  
Nayee phir umang bharake aao milake gao aaj gao  
Dhiraj chhodo naa, gam se naa haro kabhee  
Jina hai tumako, hans ke jiyo jindagee  
Desh kaa har kona, kar do tum sona  
Sunahare din sunahare pal, sunehare kwab jo dekhe the woh sach  
Karne hongee mit, naya sangit naya koyee git  
Nayee phir umang bharake aao milake gao aaj gao  
Hindu musalaman, sikh ho ya kristan  
Bharat mata kee, sabhee toh hain santan  
Sabaka hai araman, jage hindustan  
Bhajan ke swar shabad ke path, ajano me hai jiska nam  
Sikhai usane hamako prit, naya sangit naya koyee git  
Nayee phir umang bharake aao milake gao aaj gao
