Pyar ka khumar leke, ishq ki bahar leke ha  
Sapno main mere aye woh, mann me mere muskuraye woh  
Janti nahi hu jisako, chahane lagi hu usako  
Ho gaya hai kya, jane mujhko ho gaya hai kya  
Har taraf hai rang uske, jaise mai hu sang uske  
Chhaaya hai nasha, bas usika chhaaya hai nasha  
Usse mujhko pyar sa hai, usaka intjaar sa hai  
Kitna mujhko yaad aye woh, maan me mere muskaye woh  
Pahle baar jab milungi, jaane usase kya kahungi  
Sochati hu main, jane kya kya sochati hu main  
Woh yaha kahi nahi hai, phir bhi woh yahi kahi hai  
Dekhati hu mai, ha usiko dekhati hu main  
Woh jo meri saans me hai, ho mere ehssaas me hai  
Saamane kabhi toh aaye woh, mann me mere muskuraye woh  
Pyar ka khumar leke, ishq ki bahar leke ha  
Sapno main mere aye woh, mann me mere muskuraye woh
