Punjabi gayenge marathi gayenge
Gujrati gayenge bangali gayenge
Aaj chalo milkar hum sab qawali gayenge
Punjabi gayenge marathi gayenge
Gujrati gayenge bangali gayenge
Aaj chalo milkar hum sab qawali gayenge
Hansi aati hai humko aaj ka ke
Naujwane par dawa dard e jigar ki
Jo dhund deta hai jo dukanon par
Tadap ke pyar me seene se
Bas ilham milta hai
Watan ki rah me marne se hi ha
Aaram milta hai
Watan ki rah me marne se hi
Ha aaram milta hai
Mausam saal mahina juth
Marna sach hai jina juth
Ishq watan ka sachi baat
Tera husn hasina juth
Mausam saal mahina juth
Marna sach hai jina juth
Samme watan par ban ke
Parwane jal jayenge aaj chalo milkar
Hum sab qawali gayenge
Aaj chalo milkar hum sab qawali gayenge
Yaha paida hum ya waha
Kya farq padata hai
Koi ho rang koi ho juba
Kya farq padata hai
Juba hai isliye jo matlab hai
Kya samjhe matlab hai kya samjhe
Na samjhe na samajh
Use khuda samjhe
Na samjhe na samajh use khuda samjhe
Kyu hai bahajubano par
Apno aur begano par
Ab tak laharate the hum
Jhanda sirf makano par
Kyu hai bahajubano par
Apno aur begano par
Aaj jhanda dilo me laharayenge
Aaj chalo milkar hum sab qawali gayenge
Punjabi gayenge marathi gayenge
Gujrati gayenge bangali gayenge
Aaj chalo milkar hum sab qawali gayenge
