Bhar bhuvan ghor kathor rav ravi baaji taji maarg chale
?? hi diggaj dolmayi ahi ?? kalmale
Sur asu muni nar daan din sakal bikal vichar hi
??? dand khand o raam tulasidaas jay ki ???
Bol siyaapati raamchandra ki jay, pawan sut hanumaan ki jay
Umaapati mahaadev ki jay
Raam ji ne dhanushya toda, raam ji ne
Shevji ka dhanushya toda raam ji ne
Raam ji ne dhanushya toda, raam ji ne
Aayi ghadi milan ki aayi
Sita mann hi mann muskaayi
Are shiv shankar ne kya sundar milaaya joda
Haay raam ji ne dhanushya toda, raam ji ne -2
Raam ji raaja, sita raani
Janam janam ki preet puraani
Shiv ka dhanush tha ek bahaana, dono ka tha milan karaana
Siyaswaywar raam ne jita, raam ke mann mein basi thi sita
Madhur milan ki abhilaasha mein, ik ik pal ik yug sa bita
O sita ke mann ka dukh samajha raam ji ne
Haay raam ji ne dhanushya toda, raam ji ne -2
Tuta dhanushya prasanna thi sita, jaise tribhuvan ka sukh jita -2
Sita raam ke bina adhuri, raam se milake ho gayi puri
Haan baaje dhol shankh shehnaayi
Ho nagar dagar sab gaaye badhaayi
Sur nar muni darshan ko aaye, anjali bhar bhar phul lutaaye
Apne bhakto ka mann jita raam ji ne
Raam ji ne dhanushya toda, raam ji ne
Sakhiyon sang chali jab sita -2 lekar haathon mein varmaala
Ang se chhalake roop ki jyoti, chhaaya mukhpar prem ujaala
Kuchh ??jaati kuchh sharmaati, raam gale daali varmaala -2
Bani suhaagan janak dulaari, raam ne pehana di -2
O o o raam ne pehana di varmaala varmaala
Jai shri raam sita raam
Jay jay raam sita raam - 4
