Aasmaan ton laikey zameen tak tere layi,
Phullan di vichha daunga chaadran,
Chann da main jhumka banake paun kanna vich,
Taareyan di paun tainu jhanjran,
Baarish diyah boondan ton laikey,
Main banawa moti tere layi,
Taarif ch teri, jo vi aakhaa,
Lagdi har gal chhoti tere layi,
Main mirza tu sahiba,
Main majnu tu laila,
Tu heer te main bana tera raanjhanaa,
Aasmaan to leke zameen tak tere layi,
Fullan di vichha daunga chaadran,
Chan da main jhumka banaake paun kanna vich,
Tareyan di paun tenu jhanjra,
Tere sitare eh baddal awaare,
Teri main chunni naal bann daunga saare,
Jadon vi tu gille vaalaan nu sawaarein,
Shisha vi tere agge kadd da ae haarhe,
Teri nazar utaraan, tere ton jaan vaaraan,
Sajawaan tainu pairyan de wangra,
Aasma ton laikey zameen tak tere layi,
Phullan di visha daoonga chaadran,
Chann da main jhumka banake paun kanna vich,
Taareyan di paun tainu jhanjran,
Mathey da tikka kedi titli ton lita,
Jannat da noor lagge tere agge fikka,
Suraj di laali wangu chamakda matha,
Koyal di kook wangu nak tera tikha,
Tainu samne bithavaan main sunda hi jawa,

Aasmaan to leke zameen tak tere layi,
Fullan di vichha daunga chaadran,
Chan da main jhumka banaake paun kanna vich,
Tareyan di paun tenu jhanjra.
