Mujhako yeh gawaara na tha, par tera ishaara jo tha
Roke na rukega tu, mera mann aawaara sa tha
Daato mein dabe the honth, mann mein chhupa tha yeh khot
Kaabu mein na the khayaal, puchho na bas mera haal
Kadam fisal gaye to kya, saansein chhad gayi, galati ho gayi toh kya
Raat gayi hai baat gayi, abb jaane bhi do na
Raaj yeh jamaana na tha, chalana koyi bahaana na tha
Bhola bhaala gumshuda haay usaki ada
Chupake chupake chori chhupe sabaki najaro ke nichhe
Sabse kahin mukatlif ilahaan tum bas sirf
Kadam fisal gaye to kya, saansein chhad gayi, galati ho gayi toh kya
Raat gayi hai baat gayi, abb jaane bhi do na
Kadam fisal gaye to kya, saansein chhad gayi, galati ho gayi toh kya
Raat gayi hai baat gayi, abb jaane bhi do na
Sab toh yahi kehate the, ho iraaade behake se
Ho jaaye jo hone na do, usape tum dafa chuna do
Kehate jo kehane do, unaki baatein rehane do
Aag ka yeh dariya hai, iss mein khud ko behane do
Kadam fisal gaye to kya, saansein chhad gayi, galati ho gayi toh kya
Raat gayi hai baat gayi, abb jaane bhi do na
