Ratiya kaaree kaaree ratiya, ratiya andhiyaaree ratiya  
Raat hamaaree toh, chaand kee sahelee hain  
Kitne dino ke baad, aayee woh akelee hain  
Chuppee kee birah hain, jhingur kaa baje saath  
Raat hamaaree toh, chaand kee sahelee hain  
Kitne dino ke baad, aayee woh akelee hain  
Samjho kee baatee bhee koyee bujha de aaj  
Andhere se jee bhar ke karnee hain baate aaj  
Andhera rutha hain, andhera baiitha hain  
Gumsum sa kone mai baiitha hain  
Raat hamaaree toh, chaand kee sahelee hain  
Kitne dino ke baad, aayee woh akelee hain  
Samjho kee baatee bhee koyee bujha de aaj  
Andhere se jee bhar ke karnee hain baate aaj  
Andhera paagal hain, kitna ghanera hain  
Chubhta hain dasta hain, phir bhee woh meraa hain  
Usakee hee godee mai, sir rakhake sona hain  
Usakee hee baaho me, chupake se rona hain  
Aankho se kaajal ban behta andhera aaj  
Raat hamaaree toh chaand kee sahelee hain  
Kitne dino ke baad aayee woh akelee hain  
Samjho kee baate bhee koyee bujha de aaj  
Andhere se jee bhar ke karnee hain baate aaj  
Andhera rutha hain, andhera baiitha hain  
Gumsum sa, kone me baiitha hain
