Raat kali ek khwab me aayi  
Aur gale ka har hui  
Rat kali ek khwab me aayi  
Aur gale ka har hui  
Subah ko jab hum nind se jage  
Aankh unhi se char hui  
Raat kali ek khwab me aayi  
Aur gale ka har hui  
Chahe kaho ise  
Meri mohabbat  
Chahe hasi me uda do  
Ye kya hua mujhe  
Mujhko khabar nahi  
Ho sake tumhi bata do  
Chahe kaho ise  
Meri mohabbat  
Chahe hasi me uda do  
Ye kya hua mujhe  
Mujhko khabar nahi  
Ho sake tumhi bata do  
Tumne kadam  
To rahka jami par  
Sine me kyu jhankar hui  
Raat kali ek khwab me aayi  
Aur gale ka har hui  
Aankho me kajal aur lato  
Me kali ghata ka basera  
Sawli surat mohani murat  
Sawan rut ka sawera  
Jab se ye mukhda  
Dil me khila hai  
Duniya meri guljar hui  
Raat kali ek khwab me aayi  
Aur gale ka har hui  
Yu to hasino ke mahjabino ke  
Hote hai roz najare  
Par unhe dekh ke  
Dekha hai jab tumhe  
Tum lage aur bhi pyare  
Yu to hasino ke mahjabino ke  
Hote hai roz najare  
Par unhe dekh ke  
Dekha hai jab tumhe  
Tum lage aur bhi pyare  
Bahi me le lu aisi tamna  
Ek nahi kai bar hui  
Raat kali ek khwab me aayi  
Aur gale ka har hui  
Subah ko jab hum nind se jage  
Aankh unhi se char hui  
Raat kali ek khwab me aayi  
Aur gale ka har hui.
