Ik chehre pe chehre jaise chehre kitane hai
Koan batae tere kitane mere kitane hai
Main teri aankhon se aise phisal jaaun
Ghirun main dil mein tere aur yun sambhal jaaun
Ye ishq maan le meri ye mannatte maangu
Dil ishq bhul chala main bhala kidhar jaaun
Ke tere ishq mein khud se ghuzar gaya hoon main
Rab jaane jaane jaane rab jaane
Jaane jaane rab jaane jaane jaane
Jahan ho ishq wahan pe talaash rehati hai
Khushi khushi se zara si udaas rehati hai
Ye ishq dariyan yahan pe pyaas rehati hai
Ghadhi kyun raste pe aur saans aash rehati hai
Utaar de ise jo bhi libaas pehna hoon
Mera libaas tera ishq mein kyaa silvaun
Kisi se keh ke yaa kisi ishq ko ye kehlaun
Tum samne se ghuzar aur main theher jaaun
Ke tere ishq mein khud se ghuzar gaya hoon main
Rab jaane jaane jaane rab jaane
Jaane jaane rab jaane jaane jaane
Ishq mein haq ka ladta jaayein jung lage talvaare
Ishq ke haath laga din rakhe baaki dil pe kaare
Ye ishq chahen to khud mod mod mud jaayein
Ye ishq tod ke jod to jod jud jaayein
Basa basaya shaher ka shaher ujad jaayein
Hari rahe woh kalayi jise pakad jaayein
Buja buja ke jise baar baar reata hoon
Main peale meri ye maintaa kahin pe failaun
Phir ek dil ye mera khalipan tahel jaaun
Jo taza ishq ho aise kise mein mehel jaaun
Ke tere ishq mein khud se ghuzar gaya hoon main
Rab jaane jaane jaane rab jaane
Jaane jaane rab jaane jaane jaane
