Rahane ko ghar nahee sone ko bistar nahee
Apana khuda hai rakhavaala
Abb tak usine hai paala
Apanee toh jindagee katatee hai footapath pe
Unche unche yeh mahaal apane hain kis kaam ke
Hamko toh mann baap ke jaisee lagatee hai sadak
Koyee bhee apana nahee rishte hain bas naam ke
Apane jo saath hai yeh andheree raat hai
Apana nahee hai ujaala, abb tak usine hai...
Ham jo majadur hain -2 har gham se dur hain
Mehanat kee rotiya mil julake khate hain
Ham kabhee nind kee goliya lete nahee
Rakh ke patthar pe sar thak ke so jate hain
Tufaan se jab ghire raaho me jab gire
Hamko usine sambhaala, abb tak usine hai...
Yeh kaisa mulk hai yeh kaisee rit hai
Yaad karate hain hame log kyon marane ke baad
Andhe bahaaro kee basteer chaaro taraf andhere
Sab ke sab lachar hain kaun sune kisakee fariyaad
Aise me jina hai hamako toh pina hai
Jivan jahar kaa hai pyaala, abb tak usine hai...
