Kuch garami kuch saradi barish hai bedardi  
Humko marwayegi humse karwayegi  
Ye dil ka len den  
This rain rain rain this rain rain rain  
This rain rain rain this rain rain rain  
Kuch garami kuch saradi barish hai bedardi  
Humko marwayegi humse karwayegi  
Ye dil ka len den  
This rain rain rain this rain rain rain  
Lamha har lamha hai bhari sanam  
Bundo me bhi hai chingari sanam  
Badne lagi bekarari sanam  
Chhane lagi hai khumari sanam  
Oo sanam oo sanam  
Shola bhadkayegi ek aag lagayegi  
Humko marwayegi humse karwayegi  
Ye dil ka len den  
This rain rain rain this rain rain rain  
Mosam mahkane laga janeman  
Jadu sa chalne laga janeman  
Khwabo me dhalane laga janeman  
Tan man pighalane laga janeman  
Janeman janeman janeman janeman  
Humko tadapayegi pal pal bahkayegi  
Humko marwayegi humse karwayegi  
Ye dil ka len den  
This rain rain rain this rain rain rain  
Kuch garami kuch saradibarish hai bedardi  
Humko marwayegi humse karwayegi  
Ye dil ka len den  
This rain rain rain this rain rain rain - 3
