On the floor getting down tonight,
To tell you how i feel,
So much love i cannot fight back no more,
I feel you burning inside me,
Leaving me in this misery,
Give me a sign at your ***,
You make me feel so relaxed,
Every time we touch,
I wanna know how you feel right now...
I need you on me,
For the **,
Sweetest kiss i ever knew,
Give me a sign that your **,
Tujhe naseebon se mein chura loon,
Tujhe apni saanson mein main jaga doon,
Teri rag rag mein aaj behke,
Main mere fann ko jhiladoon,
Main jhilaloon...
Hooke tere zulfon se utre raat,
Rok lu ye lambha,
Ki tere hootho se chuke aaj chulu aag...
Main ranga re,
Ooh haan,
Main ranga re tere rang,
Ranga re tere jism mein,
Main ghul gaya,
