On the floor getting down tonight  
To tell you how I feel  
So much love I cannot fight back no more I feel you burning inside of me  
Leaving me in this misery  
Give me a sign at your \*\*You make me feel so \*\*  
Every time we touch  
I wanna know how you feel right now I need you hold me for the \*\*  
Sweetest kiss I ever knew  
Give me a sign that you're mine Tujhe naseebon se main chura loon  
Tujhe apni saanson mein main jagaah doon  
Teri rag rag mein aaj beh ke  
Main mere fun ko jhila doon, main jhila doon Hoke teri jhulfon se utre raat  
Rok loon ye lamha  
Ke tere honthon se chhu ke aaj  
Chhu loon aag Main rangaa re  
O haan main rangaa re  
Tere rang rangaa re  
Tere jism mein main ghul gaya
