Rangli si rangli raatein ujale se din ho jaane de
Duniya ke chhote mote sapano se aage jaane de
Unchi udaane aa ha bharaana hum jaane aa haan
Hum hai deewaane aa haan hum hi sayaane aa haan
Hansi khel mein paana hai toh yaara hamako ?? de de
Naach ?? naach ??.....
Jebon mein taare saare bhar ke dekhaade
Chaand hataake wahaan khud ko bitha de
Honto se baatein jaan chudaaana
Baaton ke marham jaan lagaana
Soch samajhake roj roj ke duniyawaale so ??
Naach ?? naach ??.....
Roke hawa ko yaaron hum toh ada se
Maano na maano yaari apani khuda se
Dil se hai yaari, yaari hai pyaari
Kal ki taiyaari, kal apani baari
Ek baar tu jaise faise apana number ?? de de
Naach ?? naach ??.....
