Kuch garami kuch saradi
Barish hai bedardi
Kuch garami kuch saradi
Barish hai bedardi
Humko marwayegi
Humse karwayegi
Ye dil ka len den
This rain rain rain
This rain rain rain
This rain rain rain
This rain rain rain
This rain rain rain
This rain rain rain
Kuch garami kuch saradi
Barish hai bedardi
Humko marwayegi
Humse karwayegi
Ye dil ka len den
This rain rain rain
This rain rain rain
This rain rain rain
This rain rain rain
Lamha har lamha
Hai bhari sanam
Bundo me bhi hai
Chingari sanam
Badne lagi bekarari sanam
Chhane lagi hai
Khumari sanam
Oo sanam oo sanam
Oo sanam oo sanam
Shola bhadkayegi
Ek aag lagayegi
Humko marwayegi
Humse karwayegi
Ye dil ka len den
This rain rain rain
This rain rain rain
This rain rain rain
This rain rain rain
Mosam mahakane
Laga janeman
Jadu sha chalne
Laga janeman
Khawabo me dhalane
Laga janeman
Tan man pighalane
Laga janeman
Janeman janeman
Janeman janeman
Humko tadapayegi
Pal pal bahakayegi
Humko marwayegi
Humse karwayegi
Ye dil ka len den
This rain rain rain
This rain rain rain
This rain rain rain
This rain rain rain
Kuch garami kuch saradi
Barish hai bedardi
Humko marwayegi
Humse karwayegi
Ye dil ka len den
This rain rain rain
This rain rain rain
This rain rain rain
This rain rain rain
This rain rain rain
This rain rain rain.
