Rasta to mil gaya hai manzil ko dhund lunga
Mai katal hoke apne katil ko dhund lunga
Rasta to mil gaya hai manzil ko dhund lunga
Mai katal hoke apne katil ko dhund lunga
Rasta to mil gaya hai manzil ko dhund lunga
Mana ke mere dusman chalak to bade hai
Tufan mein ghira ma isahil pe wo khade hai
Mana ke mere dusman chalak to bade hai
Tufan mein ghira ma isahil pe wo khade hai
Tufan mein ghira ma isahil pe wo khade hai
Mai dub bhi gaya to
Mai dub bhi gaya to
Mai dub bhi gaya to sahil ko dhund lunga
Mai katal hoke apne katil ko dhund lunga
Rasta to mil gaya hai manzil ko dhund lunga
Bhula nahi hai mujhko ab tak wo najara
Ek saksh ko kisi ne kitni bujdili se mara
Bhula nahi hai mujhko ab tak wo najara
Ek saksh ko kisi ne kitni bujdili se mara
Ek saksh ko kisi ne kitni bujdili se mara
Parde mein wo chhupa hai
Parde mein wo chhupa hai
Parde mein wo chhupa hai bujdil ko dhund lunga
Main katal hoke apne katil ko dhund lunga
Rasta to mil gaya hai manzil ko dhund lunga
Gujri hai aj unki mahlo se meri galiya
Do char roj ki hai bas unki rang raliya
Gujri hai aj unki mahlo se meri galiya
Do char roj ki hai bas unki rang raliya
Main apne dusmano ki
Main apne dusmano ki
Main apne dusmano ki mahfil ko dhund lunga
Main katal hoke apne katil ko dhund lunga
Rasta to mil gaya hai manzil ko dhund lunga
Main katal hoke apne katil ko dhund lunga
Rasta to mil gaya hai manzil ko dhund lunga.
