Re murakh kis baat par
Karta hai abhiman
Tujhse kitne chal base
Raha na naam nishan
Andha manwa nain deewane
Andha manwa nain deewane
Andha manwa
Jaane tujhe kaha le dube
Jaane tujhe kaha le dube
Inke kaun thikane re
Andha manwa
Kya hai tere paas re prani
Kis par tu itraye
Kya hai tere paas re prani
Kis par tu itraye
Angaro ko phul samjh kar
Phula nahi samaye saja ke
Jhuthe sapne suhane re
Andha manwa nain deewane
Andha manwa
Pachrang chunari odh ke sajni
Chham chham samjhe maya
Lakho kankan sita aakho
Lakho kankan sita aakho
Mitti ban kar khaya to
Mit gaye ek se ek sayane re
Andha manwa
Uncha chadh kyu chamak dikhave
Uncha chadh kyu chamak dikhave
Kare gagan se baate
Pal mein yed din dhal jayenge
Pal mein yed din dhal jayenge
Hongi andheri raat re
Bhed yeh murakh man kya jaane
Murakh man kya jaane
Murakh man kya jaane.
