Hmm hmm hmm aasmaan hoon  
Hmm m mm sitaaron se  
Chhaaya woh khumaar hai, main hoon laapata  
Thoda sa karaar hai, thoda hai nasha  
Bhigi si hai ik khushabu, khushabu mein hai ik jaadu  
Jaadu se dil huwa hai mera bekaabu  
Puri huyi hai chaahat, chaahat mein bhi hai raahat  
Raahat se mehaki justaju  
Wo wo... rishta hai mera aasmaano se, baadalo se bhi milana hai abhi  
Haath bhi milaana hai sitaaro se  
Betaabi hai bechaini hai, behad yeh dil bekaraar beintaai hai  
Haan taare, hawa, mausam fija, badaal, ghata sang hai  
Abb ghum na koyi hai  
Har jarra jarra jhume, khushi kadamo ko chume  
Pyare se hain yeh silsile  
Wo wo... rishta hai mera aasmaano se, baadalo se bhi milana hai abhi  
Haath bhi milaana hai sitaaro se  
Kaise kaha kab kya huwa kuchh na khabar na pata  
Kismat ka hai yeh kaam  
Mehmaan hoon manjil ka main dekhu jahan bhi likha hai, bas mera hi naam  
Marji pal abb ki hai yeh, khushi alag si hai yeh  
Sab kuchh hai bas mere liye  
Wo wo... rishta hai mera aasmaano se, baadalo se bhi milana hai abhi  
Haath bhi milaana hai sitaaro se  
Na na na na..  
Aasmano se.. baadalon se bhi milana hai abhi, sitaro se
