Rishte tute bandhan tute sajne wale darpan tute
Sab kuchh tod ke beshak jana lekin pehle yeh toh batana
Jo pal bite sath tumhare unase pichha kaise chhute
Rishte tute bandhan tute sajne wale darpan tute
Haste huye rehte the ham rote huye jine lage
Khushiya huyee mann se bida gam me tere pine lage
Log karenge kya kya bate yad hain sawan kee barsate
Jo pal bhige sath tumhare unse pichha kaise chhute
Rishte tute bandhan tute sajne wale darpan tute
Kehatee hain sham yeh kya huwa nagma koyee gate nahee
Gulshan ne bhee puchha mujhse abo tum dono aate nahee
Mushkil hain kitna yeh samjhana tute dil kaa dard chupana
Jo pal mehke sath tumhare unakee khushbu kaise chhute
Rishte tute bandhan tute sajne wale darpan tute
Sab kuchh tod ke beshak jana lekin pehle yeh toh batana
Jo pal bite sath tumhare unse pichha kaise chhute
Rishte tute bandhan tute sajne wale darpan tute
Sab kuchh tod ke beshak jana lekin pehle yeh toh batana
Jo pal bite sath tumhare unse pichha kaise chhute
