Teri to teri ta
Hamesha yaad sataave
I donâ€™t know
What youâ€™re saying
All i know is that
I came to party
Teri to, teri ta
Hamesha yaad sataave
Dhoom macha de rang jama de
All i know is that i came here to
Came to party!
Aaj baby meri kol
Aake gal tu dil di bol
Ainve nâ€ tadpaaya karo
Main taan karda teri wait
Khol ke dil de gate
Milne kade aaya karo
Hey
If you really want to get down
Aaja baahon mein
Hum ghumein around
Round we go, round we go
Round we go, round we go
Round we go, round we go
Round we go, round we go
Teri to teri ta
Hamesha yaad sataave
I donâ€™t know
What youâ€™re saying
All i know is that
I came to party
Teri to teri ta
Hamesha yaad sataave
Dhoom macha de rang jama de
All i know is that i came here to
Rock tha party, rock tha party
Oye hoye ni kudiye teri jawani
Rock tha party, rock tha party
Oye hoye jawani akh mastani
Shake your body, shake yor body
Oye hoye jawani teri jawani
Rock tha party, rock tha party
Rock tha party, rock tha party
Oye hoye ni kudiye teri jawani
Rock tha party, rock tha party
Oye hoye jawani akh mastani
Shake your body, shake yor body
Oye hoye jawani teri jawani
Rock tha party, rock tha party
O haayeâ€!
O teri to, teri ta
Hamesha yaad sataave
Teri to teri ta
Hamesha yaad sataave..
