Roj sham aatee thee magar aisee na thee  
Roj roj ghata chhatee thee magar aisee na thee  
Yeh aaj meree jindagee me kaun aa gaya  
Roj sham aatee thee.....  
Dalee me yeh kiska hath kare ishare bulaye mujhe  
Jhumatee chanchal hawa chhuke tan gudagudae mujhe  
Haule haule dhire dhire koyee git mujhko sunaye  
Prit mann me jagaye, khulee aankh sapne dikhaye  
Dikhaye dikhaye dikhaye... khulee ankh sapne dikhaye  
Yeh aaj meree jindagee me kaun aa gaya.....  
Armano kaa rang hai jahan palake uthatee hu mai  
Hans hansake hai dekhatée jo bhee murat banatee hu mai  
Jaise koyee mohe chhede dil kho aur bhee jatee hu mai  
Jagamagatee hu mai, divanee huyee jatee hu mai  
Divanee divanee divanee, divanee huyee jatee hu mai  
Yeh aaj meree jindagee me kaun aa gaya.....
