Har pal hai jawan
Har lamha haseen hai
Jahan hum hain wahan
Koi gum nahi hai
Yeh jo hai zindagi
Khushiyon mein doobi hai
Hum toh yunhi jeetay hain
Rozana subah leke
Aati hai roshni
Rozana hai shaam
Laati dilkashi
Jaagi si zindagi hai
Yeh gaati zindagi hai
Jaagi si zindagi hai rozana
Rango ki baarishein hai
Aisi nawazishein hain
Rango ki baarishein hai rozana
Dil chahta hai har
Pal muskraane ko
Koi dhun haule
Haule gungunaane ko
Jo bhi mila hai usko
Dost hi samjho
Zindagi jashn hai
Jaise manaane ko
Jo bhi suna usse
Khushkhabri jaana
Woh o o khushiyon ko
Humne pehchaana rozana
Rozana subah leke aati hai roshni
Rozana hai shaam laati dilkashi
Yehi hai kahaani apni
Yehi zindgaani apni
Yehi hai kahaani apni rozana
Rango ki baarishein hai
Aisi nawazishein hain
Rango ki baarishein hai rozana
Phoolon mein khushboo
Kaliyon mein rang jaise
Hum mein hai jeenay ki
Ik umang jaise
Umeedon ki hai buji ragini si
Dil mein hai har
Nayi ik tarak jaise
Sapno ka jahaan
Hai jaana pehchaano
Ik naya hai sapna
Dekha rozana
Rozana subah
Leke aati hai roshni
Rozana hai shaam laati dilkashi
Bas hai yehi tamasha
Har pal hai yeh aasha
Bas hai yehi tamasha rozana
Rango ki baarishein hai
Aisi nawazishein hain
Rango ki baarishein hai rozana.
