Saagar nahee hai toh kya hai, teree aankh ka nasha toh hai
Baadal nahee hai toh kya hai, teree julf kee ghata toh hai
Saagar nahee hai
Meree tamanna kee mahafil se tum yu uthake jaane lage ho
Aisee bhee kya berukhee ruth kar hamaase aankhe churaane lage ho
Mausam nahee hai toh kya hai, mauka yeh pyaar ka toh hai
Saagar nahee hai
Teree ghanee julf ke saaye me char pal saath tere jiyenge
Saagar se roj pite hain, aaj teree najar se piyenge
Sakee nahee hai toh kya hai, ik shok dilaruba toh hai
Saagar nahee hai
Shaayad yahee hai kyaamat kee rat, mann lene ko jee chaahata hai
Teree kasam aaj dil hee nahee jaan dene ko jee chahata hai
Kaatil nahee hai toh kya hai, kaafir teree ada toh hai
Saagar nahee hai
