Tu keha hass mein hasada reha
Tu keha nach mein nachada reha
Tu kahe main tenu ronda changa lagada
Tere samane angaare manchada reha
Tere tiranjhe hai sapane vo pure kar kar ke
Khabaa mere yaandi khali tarkish ho gayi
Saari umar me jocker jehaa main banaya reha
Tere picche di zindagi curcus ho gayi
Kya khub sikhyaan wah menu tu jeena
Zinda vi rehana te zehar vi pina
Dil te jhakham deke menu kiha tu
Rona nahi te jakham te nahi seena
Ek saa nain magron mein do houke lawan
Pida meri yaandi vi ta bass ho gayi
Saari umar me jocker jehaa main banaya reha
Tere picche di zindagi curcus ho gayi
Baddal dharti mere naalam roye saara
Jini mohabaat karade tenu
Ohni nafarat kare tu yaaran
Jaanj tanu yaad aau vichara
Haan ek din aauga mera veer vekhi tu
Jadd rooh teri mere vass ho gayi
Saari umar me jocker jehaa main banaya reha
Tere picche di zindagi curcus ho gayi
